Part 2: Certification and Incorporation

I understand that the designation selected above will remain in effect for the duration of the project period for the program as specified.

I certify that to the best of my knowledge, the information contained in this form is correct and complete and that I am authorized to file this certification on behalf of the applicant organization.

A single organization applying for this grant program on its own certifies the designation as an individual applicant for the program specified in this designation form. For each member of a Shared Services Arrangement (SSA), the member certifies its agreement to participate in an SSA, as stated for the program specified in this designation form. For each organization registering as a fiscal agent, the organization certifies its agreement to act as fiscal agent for the SSA, as stated for the program specified in this designation form.

If Apply as Member of SSA is selected for this funding source, the designated fiscal agent is the administrative and fiscal agent for this project and is authorized to receive and expend funds for the conduct of this project on behalf of the member district(s). The fiscal agent is accountable for all shared services arrangement activities and is therefore responsible for ensuring that all funds, including payments to members of shared services arrangements, are expended in accordance with applicable laws and regulations.

All participating organizations have entered into a written shared services agreement which describes the responsibilities of the fiscal agent and SSA members, including the refund liability that may result from on-site monitoring or audits and the final disposition of equipment, facilities, and materials purchased for this project.

It is understood that the fiscal agent is responsible for the refund for any exceptions made as a result of on-site monitoring or audits; however, based upon the Shared Services Agreement, which must be on file with the fiscal agent for review, the fiscal agent may have recourse to the member organization(s) where the discrepancy(ies) occurred.

All funds are released when the final amount is released. Any additional funds that result from carryover or reallocation, as applicable, will not require additional signatures.

The authorized official has read and certifies agreement as stated above.
